

Mr. Hi-sing E. Silen

Mr. Hi-sing E. Silen serves as the Senior Test Integrator for the Joint Inter Agency Task Force (JIATF) 401, where he leads the planning, execution, and oversight of the enterprise's test and evaluation (T&E) activities. With over 16 years of distinguished experience, he is a key advisor on C-sUAS T&E, directing complex, high-visibility programs vital to national security.

In his role as Test Lead for the JIATF-401 large-scale demonstrations, Mr. Silen has been instrumental in benchmarking industry's capabilities against evolving unmanned threats.

Prior to his current assignment, Mr. Silen was the C-sUAS Team Lead at U.S. Army Yuma Proving Ground. His career includes progressively senior roles managing developmental testing for a wide array of weapon systems. He holds a Master of Science in Engineering Management from the University of Arizona and a Bachelor of Science in Civil Engineering from the Universidad Tecnológica de Panamá, and holds a certification for Test & Evaluations from the Defense Acquisition University.
