Distinguished Speaker

Colonel Brian T. Bohan, PhD.

Chief of Staff, Information and Spectrum Warfare Directorate,
Air Force Research Laboratory

Colonel Brian T. Bohan, PhD, is the Chief of Staff for the Information and Spectrum Warfare Directorate at the Air Force Research Laboratory, Kirtland Air Force Base, New Mexico, where he oversees operational execution, strategic communication, infrastructure support, force development, and key partnerships supporting advanced directed energy and space object tracking missions across Kirtland and Maui. Commissioned in 2005 through AFROTC at Clarkson University, he is a career engineer whose assignments have spanned test management, weapons programs, laboratories, academia, and Air Force Headquarters, with a distinguished record of technical scholarship including peer-reviewed publications, patents, and professional society leadership and awards. In 2023, he deployed to Al Udeid Air Base, Qatar, as 9th Air Force (AFCENT) A5 Deputy Director Forward in support of Operations INHERENT RESOLVE and SPARTAN SHIELD, leading a 42-person team across 11 countries responsible for theater security cooperation, regional radar and information sharing, multinational exercise coordination, and coalition liaison integration within the Central Command area of responsibility.
